

## **Caddie Information**

*Welcome to North Shore Country Clubs' Caddie Information Page!*

*NSCC is proud of our caddie program where our focus is to instill the values of commitment, respect and teamwork. We believe that caddying prepares these young men and women for success in future endeavors.*

*Listed below you will find our requirements with the application, training dates and times, along with some expectations when you begin as a caddie at NSCC*

*Our minimum age requirement to begin caddying at North Shore Country Club is 13 years old. All beginner caddies must fill out a caddie application either online or in person. We will be taking the first 50 applications that are handed in starting on Sunday, March 31<sup>st</sup> at 9:00am. There will be more information handed out when you bring in your application.*

*Beginner caddies will first be required to watch a forty-five minute training video at the club. This video is a great instructional tool for all new caddies! All beginner caddies must be present to watch this video from 4:00-5:00pm during the week of April 16<sup>th</sup> thru April 19<sup>th</sup>. Caddie training will be given on the golf course and will be on a weather-permitting basis. Please make sure to dress appropriately for both the golf course and weather. A collared shirt, khaki shorts/pants (no cargo), a belt, golf shoes/sneakers, towel and a jacket are acceptable attire.*

*Training dates will start on Tuesday April 23<sup>rd</sup> and end on Friday, May 10<sup>th</sup>. Training sessions will be split up into two different time slots, 4:00-5:00pm and 5:00-6:00pm. Beginner caddies will be required to show up for a minimum of two sessions each week and those sessions will be assigned by the Caddiemaster.*

*Lastly, beginner caddies will be required to take a thirty-five question exam on what they have learned throughout their training and the training video. They must pass the exam by answering 85% of the questions correct. Beginner caddies also must pass a test on the golf course as well. We continuously go over everything on the course and encourage any questions new caddies may have.*

*We take great pride in our caddie program at North Shore Country Club. We look forward to having another great season at NSCC and thank you for your interest in joining our program!*

*Sincerely,*

*Adam Brockway
